

GOD, ISRAEL & AUSTRALIA

☆ **THE DESTINY OF NATIONS** ☆

Nearly 100 years after ANZAC, blood and bone were sacrificed to liberate the area of Palestine from the Ottoman Turks, opening the door and preparing the way for the long-scattered Jewish people to return home. Australia and New Zealand are being offered the opportunity to help secure the vision that was made possible by the sacrifice of her sons.

A CALL FROM JERUSALEM TO AUSSIES DOWN UNDER

In 1967, Christians around the world rejoiced and glorified God at the news that the Jews had returned to the biblical lands of Judea, Samaria, Gaza and Jerusalem. **We believed God had restored the land according to His Word**, and we expected Israel to take possession of her inheritance.

Instead, for the last 47 years, the international community has been squeezing Israel's leaders to agree to the creation of Palestine on the restored Jewish lands. **Against this pressure Israel stands alone.** After initially opposing our nations' policies, even Christian Zionists grew silent on the question of the land.

Stan Goodenough is a South African Gentile who has lived in Jerusalem for a quarter of a century. A Christian journalist, writer and tour guide, he believes passionately that Australia is being offered a unique opportunity to lead the way in supporting Israel's God-given and legitimate right to extend sovereignty over its restored land. He believes the two state solution is immoral and unworkable, and in today's world poses an existential threat to the Jewish people back in their land.
