Pr Evgeni Stanukevich was born in Belarus in 1985 and in 1996 at the age of 11 made "Aliyah" (Jewish migration) to Israel with his mother & sister.

He has lived in Israel now for 20 years & feels it's the only home he's known & is very proud to be a Messianic Jewish believer in his homeland. He is grateful to God for His presence, always leading & guiding him.

After finishing a command military school in 2004, he joined the Israeli Defence Force (IDF) where he was assigned to a small special forces paratrooper unit. He was involved with many missions in the Lebanon war & witnessed God's miracles. In 2007, he became an officer, served for 2 more years as Operative Officer & as a Commander of the Officers' Instructors Team finishing his service in the IDF in 2009.

From 2010-2013 God took him to Austria to work in the security of a Jewish community.
